

Larson does not cover wind damages, or destruction by renters. They may also deny claims for other issues that arise with beach houses and renters. Therefore we are offering additional warranties to help lower the pricing of potential future damages.

An additional warranty can be purchased from Family Business Windows and Doors LLC for 1, 2 or 3 years, and is non-transferable:

- a. Option 1 covers an adjustment to the closers once per year. Includes labor to replace warrantied parts Larson does not pay for, requires Larson claim to be made. The cost of this additional warranty is \$50 for 1 year, \$75 for 2 years, \$100 for 3 years.
- b. Option 2 covers wind damage, and covers all of Option 1. Covers the repair, or replacement if unrepairable, of the storm door for wind damage, and failing and/or broken parts due to renter and/or unintentional damage or environment. Intentional negligence is not covered. The cost of this additional warranty is:
